A.D Brothers carried out the civil construction of our plant which required expertise in technical skills to carry out herculean task of making 2.5-meter-thick concrete slabs and walls. This difficult task was carried out by A.D Brothers is a cost effective and professional method by using all the necessary latest technology.

A.D Brothers also had all the agencies in place to carry out the entire construction work of our factory. They worked satisfactorily with our plant and machinery supplier to execute various civil tasks.

Shyam Kadakia

Managing Director | Pinnacle Therapeutics

We found A.D.Brothers to be highly professional, quality driven and competent contractor. They completed the works within the contract period and to our great satisfaction within budget. The smaller inputs at even supervisor level prove to be handy. I would not hesitate to recommend them

in the future. We are pleased with the quality of work that they do at every stage of project.

Mahendra Gupta

Managing Director | Balaji Formalin

We have known M/S A.D Brothers since 2014, their company is quiet resourceful for undertaking projects for building structure, iron work, concrete work & interior work. The entire team is very approachable, flexible and willing to adapt to change, trust worthy, friendly, accommodating, competitive and above all, the team delivers an excellent solution. Overall, our experience have been enjoyable and we have no hesitation in recommending M/s A.D Brothers to anyone intending to construct Industrial Sheds/Factory.
